Looking for ways to better manage your classroom this fall, strengthen your instructional practices or learn about the latest “Tech Tools” to use in your classroom? Based on last summer’s very successful “Tech Tools” Summit, the RI Federation of Teachers & Health Professionals is hosting a two-day “Summer Summit” on August 1<sup>st</sup> and 2<sup>nd</sup> at Lincoln Middle School from 8:30 AM – 3:30 PM each day.

Day One (Aug. 1<sup>st</sup>) will focus on Instructional & Managerial Strategies. This day will feature sessions on *Effective Classroom Management*, including the newest modules from AFT on *Managing Student Behavior, Strategies to Support English Language Learners, Working with Students with Disabilities, Instructional Tools for Math, Reading & Writing, Student Engagement, Questioning Techniques*, and more. You are certain to walk away from these sessions with new ideas, tools and strategies that you can implement right away in September.

Day Two (August 2<sup>nd</sup>) will focus on Tech Tools. This day will feature sessions designed to help you get “Tech Ready” for the upcoming school year with sessions for beginners and experts on topics such as *Digital Citizenship, Use of Video in the Classroom*, and Tech Apps ranging from *Basic Functions, Google Draw & Google Forms* to Using Apps like *Booksnap, Mathsnap, Doctopus, Goobric, Desmos & Playlists* to enhance your instruction & engage your students.

Both days are designed to support teachers at all levels of experience and introduce a variety of instructional, managerial & tech strategies, and provide opportunities for sharing best practice and getting some “TechAssistance”.

We hope you’ll join us at the Summit for both...or even just one of the days. Registration is just \$25 per day or \$40 for a two-day registration and will include continental breakfast & lunch.
